Dear Mr. Taylor:

With reference to your requested change of schedule, we definitely feel that the present advertising contracts should be carried out as planned, at least until their termination. If renewals are signed, changes can be made.

So many revisions, mistakes, and changes have already been made by the colleges, that we think it inadvisable for another one to be made. We don't think it would be to your advantage to change the status quo, until the present contract expires.

Sorry that we cannot pass the request, but it might cause friction, and we want to avoid that as much as possible. We know you will understand our reasons. Please do not go ahead with the change before further agreement can be reached between us.

Sincerely,

  
Louis M. Bloch, Jr.  
Business Manager
